PREPAREDNESS: IT TAKES A VILLAGE

A COMMUNITY COLLABORATION

Registration Information:

<https://www.wepay.com/events/disaster-preparedness-it-takes-a-village>
Funds are collected by the Central Texas Veterans Research Foundation

September 28, 2012; 7:30 a.m. - 4 p.m.
1901 Veterans Memorial Drive
Building 171, Room A25
Temple, Texas

PROGRAM DESCRIPTION

Join us for an informative day of Disaster & Pandemic Preparedness from a micro to macro perspective.

The participants will learn business sustainability following a major disaster event, local, state and federal preparation measures.

Personal and Family preparedness will also be presented, along with climatologic and evacuation considerations.

Lastly, the participant will learn basic survival skills, and receive pertinent updates on Pandemic.

Program Objectives:

Upon completion of the conference the participant will be able to:

- *Discuss at least 2 considerations in Business continuity following a major disaster.*
- *Discuss preparedness from personal, local, state and federal levels.*
- *Discuss upcoming and potential threats related to Pandemic.*
- *Describe current and potential bioterrorism threats.*
- *Identify at least 2 survival skills.*
- *Discuss the implications for evacuation.*
